Re: Letter of Reference
Fusion Project Management

We recently had the pleasure of working with Jakica Laus and Fusion Project Management for the build out of our new Vancouver office located in 400 Burrard Street. The project was approximately \$120,000 worth of improvements in just over 2,300 sf.

Jakica and her team did a tremendous job managing the project from start to finish. Fusion Projects assisted us with everything from finishing decisions and colour choices to helping us make cost effective decisions about our new space.

As with any new space, our group was very anxious to occupy and therefore, quite demanding with our timelines and requests. Jakica's responsiveness, willingness to assist and problem solving abilities can be greatly attributed to us meeting our move in date. Even after our move in, Jakica continues to be a great resource for us and is a credit to Fusion with her customer service oriented approach to project management.

I look forward to the opportunity to work with Jakica again and would not hesitate to recommend Fusion Projects for any similar work.

Sincerely,
