## **OUR COMMUNITY**

ON SUNDAY, DECEMBER 7, SOME MEMBERS OF THE FUSION TEAM ATTENDED FAMILY SERVICES OF THE NORTH SHORE'S WINTER FAMILY BALL WITH THEIR FAMILY.

The Winter Family Ball raises critical funds to help children and youth in need in our community, including child and youth counselling, youth mental health leadership and outreach (YouthLAB), Jessie's Legacy Eating Disorders Prevention Program, Christmas Bureau and its I hope family centre and its related infant and toddler development programs. Fusion made a \$1220 donation to Family Services of the North Shore at this event through a donation to the Christmas Bureau and silent auction purchases.

Fusion also made a specific cash gift of \$500 to support the Christmas Bureau, which provides food and gifts for low income families on the North Shore at Christmas.

## **FUSION CONTINUES TO SUPPORT THE LIFT THE CHILDREN FOUNDATION**

FUSION RECENTLY DONATED \$1,200  
TO THIS GREAT CAUSE.
