FUSION PROJECTS IS A BIG SUPPORTER OF FAMILY SERVICES OF THE NORTH SHORE

ARE EXCITED TO BE RELOCATING THEM IN TO THEIR NEW HOME LOCATED AT 1111 LONSDALE IN NORTH VANCOUVER

When introduced to Family Services of the North Shore we were able to work with a number of our suppliers who have come together with various levels of contributions to assist in the financial support towards this new space. We are about 50% complete in this project and will be moving them in to their new home at the end of January 2015. We look forward to showing you pictures of their new space, along with acknowledging all of the contributing partners to this great project.

Fusion is excited to once again be working with Hootsuite who is again expanding – exciting times in the nest. Check out our most recent photos of HQ2:
